COMPANY PROFILE

Main subsidiary of

SWS Capital Berhad (502246-P)

(Listed on the Main Board of Malaysian Stock Exchange)

Established at Penang in the year of 1994, just from a small and humble trading business, EE-LIAN has evolved into a major industry player with proven capabilities and numerous achievement awards received, wide networking of distribution and coverage of “ELIANWARE” brand.

In addition, EE-Lian Enterprise (M) SDN BHD is considered as one of the leading manufacturer in Malaysia whereby we are proud to announce that EE-LIAN is now ISO 9001:2008 certified for its quality management system and operating as a main subsidiary of SWS Capital Berhad (SWSCAP:7186) which is listed on the Main Board of Malaysian Stock Exchange.

EE-Lian Enterprise (M) SDN BHD products have throughout the whole Malaysia and major continents of ASIA especially exporting to South East Asia’s markets, AFRICA, OCEANIA, EUROPE and UNITED STATES OF AMERICA due to our participation in International Trade Fairs and Exhibitions, high integrity of our commitments towards occasionally visiting respective customers locally and internationally in order to keep abreast of the market changes in plastic household and housewares products and promoting our new products to our customers as well. Apart from doing and conducting business in person nature, we could not deny that the changes of technology and its advancement has changed the way of doing business nowadays and due to that, we at EE-LIAN does not wish to left behind and thus, has adopted this E-Commerce platform whereby these business transactions occur either as business to business (B2B) and business to consumer (B2C).

Apart from that, we are also considered as a total solution provider for OEM in specialising the designs, product’s development, manufacturing and distribution of a wide range of products such as, premium gift, plastic storage box, containers and etc in order to cater for home, offices and industrial applications.

We at EE-LIAN here are keeping constantly stressing our R&D team to do researching, innovating new designs and coming up with the new products development with full of attractive designs and functionality in order to capture consumer’s awareness towards our ELIANWARE products. Besides than that, we also strive to enhance product’s life cycle especially Food Containers and Tumblers by using virgin raw material to make them durable, BPA and therefore, it is safe for foods and drinks purposes which indirectly increases consumers perception towards in using plastic products. In 2018, EE-LIAN has collaboration with global specialty chemicals producer Miliken, to use Miliken’s energy-saving, UL certified Millad® NX™ 8000 clarifier additive. EE-LIAN is the first Malaysian producer to be authorized to use the UL certified Green Label environmental accreditation on ELIANWARE product. These PP resin has enabled us with an average of 10% energy savings and 10% carbon dioxide emissions. We, as a responsible manufacturer incorporate this energy efficiency into product design in order to reduce the environmental impact which helps to create a sustainable world.

Our company’s vision is to enhance and improve the quality and the way of life in every single corner of the household whereby we are promising to do and delivering the best value to our customers in terms of products quality and pricings competitiveness, maintaining good relationships with suppliers and our employees in order to bring EE-LIAN to greater heights.
